

DJ SHANNYN HILL TECHNICAL RIDER

DJ EQUIPMENT

Please have one of the two set up options provided on the day of the event. All equipment must be fully functional and of good quality (no broken/missing buttons or faders).

Each setup requires a power source with at least four (4) three-pronged outlets and a table/booth about 4 ft in height.

SET UP 1 (Preferred)

- 1 x Pioneer DJM-S11 OR Pioneer DJM-S9 mixer
- 2 x Pioneer CDJ 3000 (linked together with ethernet cable)

Pioneer CDJ 3000
